Career/occupational information:

If it wasn't for Delta Zeta, I am not sure what I would be doing in my career. One of my sorority sisters, Stephanie, befriended me when I was a freshman, she a junior. She was the News Director at our college's radio station. I became a news reporter/broadcaster under her. After she graduated, I held the position of News Director for my junior and senior years. Stephanie showed me the world of broadcasting and I am now a news writer/producer for the Ohio News Network, while Stephanie is a TV news reporter in South Bend, Indiana.

Hobbies, Activities, and Favorites

I like art - drawing, sculpting, etc. I recently made a turtle-shaped mosaic stepping stone for my mom. It was a lot of fun. I enjoy the outdoors (camping, canoeing), and I also like to read, go shopping, and to travel. My favorite food is ketchup. It's not a condiment, it's food. :0)

Favorite DZ memory

Hanging out in each other's rooms watching our favorite movie/TV show to unwind... Gossiping, giggling, or ordering cheese fries from Marv's as a study break.
